ACADEMIC PROJECT

• TOURISTER- Tourist Guide Website

Tourist guide system is an interactive website which replaces an external tourist guide and help the tourists to plan their trip. It also acts as field for developing the business activities in different tourist places. People can add details of their business and local services to attract tourists to them through this website. Public can view these services and chose the service they need.

INDUSTRIAL VISITS

• Spectrum Softtech Solutions Pvt. Ltd, Kochi.

Spectrum Softtech Solutions is a Kochi based IT infrastructure provider that specializes in quality service in the field of Medical Transcription, Software Development, Web Designing, Domain Registration, Search Engine Optimization and other IT enabled services. We had session on Software Testing and Digital Marketing.
